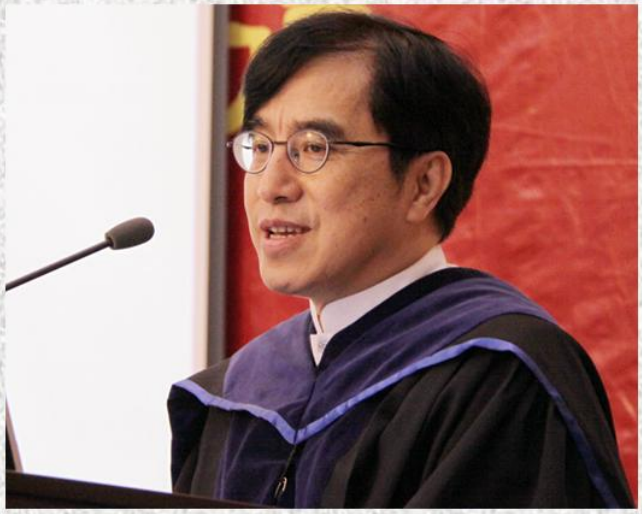
Biography



Prof. So is currently Chair Professor and Head of the Department of Anatomy, Jessie Ho Professor in Neuroscience at *The University of Hong Kong*, a member of the *Chinese Academy of Sciences*, Co-Director of the *China Spinal Cord Injury Network*, and Co-Director of the *State Key laboratory of Brain and Cognitive Sciences at HKU*. He received his Ph.D. degree from MIT. He is one of the pioneers in the field of axonal regeneration in visual system. He was the first to show lengthy regeneration of retinal ganglion cells in adult mammals with peripheral nerve graft. He is currently using multiple approaches to promote axonal regeneration in the optic nerve and spinal cord. His team identifies neuroprotective and regenerative factors including: peptide nanofiber scaffold, trophic factors, herbal extracts, other small molecules, immune responses and environmental manipulation. He is the author and co-author of over 200 publications.

He is Honorary or Visiting Professor to a number of Universities in China, including the *Sun Yat-Sen University* (Guangzhou), *Beijing Medical University*, Institute of Neurosciences of the *Fourth Military Medical University* (Xi'an),*Central South University* (Changsha), *Chengdu University of Traditional Chinese Medicine* (Sichuan), *Chengdu Army Kunming General Hospital* (Kunming), *Suzhou University,* and *Tianjin Medical University*

School Song

Boys and girls of Po Leung College
To be honest and amiable
Brilliant and faithful
Diligent and humble
These are the virtues we long for

Youths of courage, youths of daring
Full of perseverance and will
Spirits are always in progress
Hearts to conquer every ill

Well known schools are plentiful
With thousands of heroes coming forth
And they flourish high and faithful
Po Leung College something more
