Dear Mr Chan,

I would like to thank you for the warm welcome you and your colleagues extended to me during my visit to your college.

I greatly appreciate the time you took out of your busy schedule to allow my delegation and I to spend time with you, your teachers and your students. I was very impressed with PLK Laws Foundation College. I found the presentations by your students very interesting and enjoyed observing a Biotechnology class. Overall, I found my visit to be an enlightening experience and I will consider what I saw in Hong Kong and in your college as I look to reform and modernise the English school system.

Thanks again and I wish you and your students all the best in the future.

Yours,

MICHAEL GOVE
