Dear Mr. Leung,

Thank you letter – Acknowledgement of Royalty Donation

On behalf of Ocean Park Conservation Foundation, Hong Kong (OPCFHK), I would like to thank Laws Foundation College for the generous donation of HK\$3,305.00 royalties generated by the sales of the book “Upbringing of Horseshoe Crabs”. Your continuous support is highly appreciated and would further our conservation efforts in Asia.

Laws Foundation College first joined the “Juvenile Horseshoe Crab Rearing Programme” in 2009 and continued its support not only through its participation in the programme, but also initiated the publication to further help spread the message. “Upbringing of Horseshoe Crabs” was written by students from Laws Foundation College in 2012, which documented the essence of the programme and further helped raise the awareness of horseshoe crab conservation among the public. OPCFHK highly appreciate the enthusiasm and contribution of Laws Foundation College in conservation and education.

Once again, thank you for your generous donation and continued support in conservation. We look forward to working with you and the students in the near future.

Yours sincerely,
