Cancellation of the Second S.1 Admission Interview and S.1□ Registration Arrangements

As the Education Bureau announced that the school suspension period is further extended to no earlier than after the Easter Holidays, the second S.1 Admission Interview scheduled in March will be cancelled. Candidates will be admitted based on their performance in the first interview, their P.5-6 academic results at school and extracurricular achievements.

The results will be released on 23 Mar 2020 (Mon). All candidates will receive a letter of the interview result, and they can also log on to our school's webpage (<http://www.plklfc.edu.hk>) after 9:00 a.m. that day using their application numbers and their names (all in CAPITAL letters) to check the result. Successful applicants should complete the registration procedures on the following dates:
