

Student Council Election News - 28 Sept 2012

The two cabinets in the Student Council Election, Myth and Frontliner have launched their Campaign Weeks this year. On top of a series of propagandas using posters, videos and class promotion, one of the highlights of the Campaign must go to the Q & A session.

During the Q & A Session, students from the floor were given opportunities to enquire and voice their opinions. Everyone has made good use of this chance to understand the Missions and Visions of Myth and Fountliner better. Evidently, the two cabinets have successfully laid a solid foundation in setting up an interactive platform for Laws students to voice their opinions.

Let's wish them success in the Election next week.
