SPOTLIGHT:

Celebrating Our Best and Brightest

HKDSE

SUPER TOP SCHOLAR

LFC extends its warmest congratulations to our top scorer, L Y Wong, who scored 5** in 7 subjects, in addition to an 'Attained' grade for Citizenship and Social Development (CSD). As one of the 25 top scorers in Hong Kong this year, he ranks as one of Hong Kong's highest-achieving HKDSE candidates and has been admitted to the Bachelor of Medicine and Bachelor of Surgery – Global Physician-Leadership Stream (MBChB-GPS) of The Chinese University of Hong Kong.

STUDENT OF THE YEAR FINALIST SUSTAINABILITY ADVOCATE

Secondary 5 H Y Yip's leadership and commitment to sustainability and biodiversity conservation have earned her a spot amongst the Top 10 finalists for the Student of the Year 2026 Sustainability Advocate Award co-organised by the South China Morning Post (SCMP) and The Hong Kong Jockey Club (HKJC). Her achievements include winning the HKU Geography STEAM Project and leading the Dolphin Skeleton Articulation Project as Chairperson of the Ecologist Club.

The exceptional academic performance of our top 5 HKDSE achievers' earned them many prestigious Po Leung Kuk Scholarships. Demonstrating relentless commitment and intellectual mastery, these exceptional graduates have successfully gained admission to competitive local university degree programs, serving as inspiring role models for their peers and embodying the school's unwavering commitment to academic excellence.

PO LEUNG KUK SCHOLARSHIP OUR TOP 5 HKDSE ACHIEVERS

Achieving Above and Beyond

In recognition of his musical and literary talent, Secondary 3 C F Lai won the Commendable Award and Best Lyrics Award (English) at the "We Write and We Sing" competition co-organised by the Education Bureau and Hong Kong Baptist University.

"WE WRITE AND WE SING" COMPETITION

Our school achieved exceptional success at the "Relishing Creativeness in the Hong Kong Palace Museum" Music Composition Competition. Our ensemble earned the prestigious Outstanding Award – Gold Medal for their work titled "墩中彩龍" (Colourful Dragon in the Mound) and was selected for the Performers' Adjudication Award, highlighting the students' creative musicality and technical mastery.

RELISHING CREATIVENESS IN THE HONG KONG PALACE MUSEUM GOLD MEDAL

3 of our Secondary 4 students took part in The 1st Hong Kong Secondary School Brand IP Competition and were crowned the Champion in the Ma Wan 1868 Division. Their success reflects their strong AI literacy and astute marketing skills.

4 of our students were crowned champions in the Junior Police Call Inter-District Pickleball Competition 2026 for their hard work and impeccable teamwork.

Excellence in Science and Technology

iGEM

INTERNATIONAL GENETICALLY
ENGINEERED MACHINE

24 members of our 2026 iGEM team visited Link Spider and BGI in Shenzhen to explore cutting-edge genomic platforms and biotech commercialisation. Our students pitched their project to Link Spider's CEO for expert feedback and learnt how synthetic biology research translates into real-world applications.

4 students participated in the Interdisciplinary CO-EXPLORE "Low-Carbon Living" Teaching Material Development and Short Film Shooting Competition 2026. They were named First Runners-up in the Secondary School Category (Ideation Group), as well as the Most Creative Award.

CO-EXPLORE (LOW-CARBON LIFESTYLE) SHORT-VIDEO COMPETITION

Experiential Learning

SWEETIE AI LUNAR EXPLORATION CHALLENGE 2026

Secondary 3 students T H WONG, L W Meng, and C Y Wong participated in the SWEETIE AI Lunar Exploration Challenge 2026, co-organized by Po Leung Kuk and The Education University of Hong Kong. Based on lunar base exploration, the competition challenged students to apply interdisciplinary thinking and problem-solving skills with the SWEETIE teaching approach. The program also enhanced students' understanding of national technological development and future space exploration.

CITYU TRY ENGINEERING 1ST PRIZE AND DISTINCTION AWARDS

In July 2026, Secondary 4 Y C Cheung participated in the TRY Engineering on Campus 2026 programme co-organised by IEEE, City University of Hong Kong and St. Francis University to promote AI education in Hong Kong. Through hands-on activities, he explored generative AI, experimented with AI-powered applications, developed an AI project, and visited leading high-tech firms. He was awarded First Place (Winner) in the AI Knowledge Quiz and Distinction in Project Presentation at the end of the camp.

**THE 2ND GUANGDONG-HONG KONG-MACAO GREATER BAY AREA YOUTH MOCK CPPCC EXHIBITION
BRONZE AWARD FOR BEST PROPOSAL**

As part of the "My Home, My Country" activities initiated by the Education Bureau, our students delivered an outstanding performance presenting their proposal on key topics of the 15th Five-Year Plan for economic and social development of the People's Republic of China, earning them the Bronze Award for Best Proposal.

"ENVISION THE FUTURE" LFC-LHT VISUAL ARTS JOINT EXHIBITION

16 Secondary 4 students represented our school at the United Nations University Institute in Macau to debate the ethical role of AI in global healthcare. While engaging in international diplomacy and honing their public speaking skills, they won Best Role-Playing Award and received an Honourable Mention.

ASIA-PACIFIC INTERNATIONAL MODEL UNITED NATIONS CONFERENCE

Campus Culture and Traditions

THE HIGH TABLE DINNER FOR THE STUDENTS AND PARENTS OF THE LAWS' PINNACLE PROGRAMME

The Laws' Pinnacle Programme High Table Dinner, held in May 2026, celebrated talent, community and connection. From groundbreaking iGEM presentations to inspiring musical performances—including a special sibling piano duet and solos on the piano and violin—the night was filled with talent and brilliance. It was wonderful to see our Principal, Vice Principals, Assistant Principals, teachers, parents, alumni and students engaging in conversation and strengthening the bonds within our school community.

OPEN DAY 2025-2026

In December 2025, we held our Admission Talk and Open Day to introduce our school to visitors. Our students prepared interactive booth games, held activities, and proudly exhibited their projects and artwork, all of which showcased their talent, intellect and creativity.

CHINESE NEW YEAR CARNAVAL

In our annual Chinese New Year Carnival, teachers, parents and students came together to participate in performances, competitions, and booth games to celebrate the Lunar New Year while deepening their understanding of China's splendid traditional culture.

Learning Across Borders

Our students strolled in the ancient towns of Changsha and soaked in the Huxiang culture.

CHANGSHA

In July 2025, 25 students, accompanied by the Principal and 5 teachers, embarked on a cultural exchange tour to Foshan. Highlights of the journey included engaging lessons at our sister school, Nanhai Foreign Language School, and visits to high-tech companies including OptoMedic and Supermask, where students witnessed cutting-edge technology first-hand.

Through a rich cultural immersion that included a Wong Fei Hung Lion Dance performance at the Foshan Ancestral Temple (Zumiao), a guided tour of the town and an exploration of Foshan Lingnan Xintiandi, our students were able to deepen their appreciation for cultural heritage.

FOSHAN

UK CULTURAL EXCHANGE TOUR

XIAN JIAOTONG UNIVERSITY EXCHANGE TOUR ORGANIZED BY PLK

Stepping into the Grand Tang Everbright City, our students experienced the golden age of prosperity depicted in classical poetry.

Our students had the opportunity to fully immerse themselves in an authentic English environment in a 10-day study tour in London. They actively honed their language skills and expanded their horizons as they visited the prestigious universities of Oxford and Cambridge. They explored London through cultural excursions to iconic landmarks like Big Ben and Buckingham Palace and had a taste of British culture as they watched The Lion King musical and tried local delicacies.

MACAU MUSIC TOUR

In January 2026, 8 students with their teachers, and our orchestra conductor Dr. So, traveled to Macau for a music exchange at Academia de Música S. Pro X. Students collaborated with local Macau peers and attended a seminar on AI in music and data-driven sonification led by Dr. So. The tour also included a guided visit to St. Joseph's Seminary and Church, where students learnt about the history of the pipe organ and had the rare opportunity to play this historic instrument, gaining valuable insights into Macau's rich musical heritage.

SICHUAN GEOGRAPHY GIANT PANDA ECOLOGY FIELD TRIP

36 students from Secondary 1 to Secondary 4 participated in the Sichuan Giant Panda Ecological Study Tour, conducting in-depth studies in mountainous areas more than 3,000 metres above sea level and at the Wolong Shenshuping Giant Panda Conservation Base. In addition to gaining a first-hand understanding of giant panda conservation work, the students also unleashed their creativity by creating handcrafted toys, which are environmental enrichment objects, for the red pandas, making it a meaningful learning experience.

SHANGHAI

In November 2025, Po Leung Kuk organized an educational exchange tour to Shanghai for students from its affiliated secondary schools. Our students had the valuable opportunity to connect with excellent peers across Po Leung Kuk schools, fostering a strong sense of unity and shared ambition through visits to a local Shanghai primary school and fruitful academic discussions. Expanding their horizons further, the delegation toured several of Shanghai's prestigious universities.

CUHK WHITE COAT CEREMONY

Together with our Principal, 3 of our highest-achieving students attended the annual White Coat Inauguration Ceremony held by the Faculty of Medicine, The Chinese University of Hong Kong.
