OVERSEAS Engagement

THAILAND

SICHUAN

THE REPUBLIC OF KAZAKHSTAN

GUANGXI

Our students, teachers and principal took part in exchange tours in Poland, The Republic of Kazakhstan, Guangxi, Sichuan Thailand, and many other locations.

POLAND

GOLD MEDAL INTERNATIONAL GENETICALLY ENGINEERED MACHINE COMPETITION

Thanks to the diligent work of our students and teachers, our school's iGEM team was awarded a gold medal for their groundbreaking research into prostate cancer detection.

ENVIRONMENTAL Involvement

SICHUAN GIANT PANDA ECOLOGY FIELD TRIP

Getting in touch with nature and the environment is both educational and soothing. Our students have participated in activities both locally and globally to get the opportunity to get up close and personal with different animals.

PENGUIN BREEDING PROGRAMME

CHINESE WHITE DOLPHIN REPLICATION AT POLYU

MEXICO CITY YOUTH CONFERENCE OF CARETAKERS OF THE ENVIRONMENT INTERNATIONAL

ALL-ROUND Development

SOCIAL SERVICE AND VOLUNTEERING

A sense of empathy is extremely important for our students. To aid our students in developing this important quality, they went to animal shelters, hospitals and elderly homes. They also expanded their horizons through these experiences.

To support students' whole-person development, students have been given an opportunity to step out of school and engage in different activities throughout their 6 years of secondary school life. Our activities include camps, exchange programmes and volunteering activities.

EXPLORATION WEEK

CULTURAL Enrichment

Exchanging ideas is pivotal for continuous personal growth. Through active participation in international competitions and events, our students have enjoyed rewarding experiences beyond the classroom.

金獎

「穿越時空·『故』中作樂」音樂創作比賽

FIRST PRIZE TAIWAN INTERNATIONAL MUSIC COMPETITION

TEA CULTURE

Having attended workshops organised by tea experts, our students served refreshments to our distinguished guests for this year's Speech Day.

HKU SUMMER IMMERSION PROGRAMME

Our students gained exclusive access to world-class laboratories, opportunities to participate in state-of-the-art research and knowledge of medical sciences through the Summer Immersion Programme organised by the Laboratory of Neurodegenerative Diseases, HKU's Faculty of Medicine.

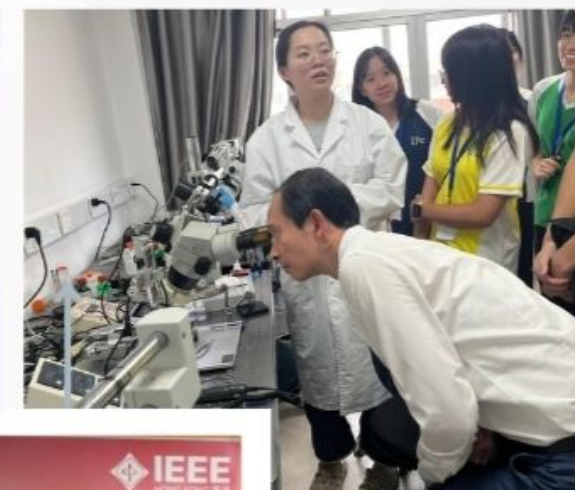

2024 SCIENCE AND TECHNOLOGY WEEK CUM EXHIBITION OF ACHIEVEMENTS IN SCIENCE AND TECHNOLOGY INNOVATION

Our students presented their impressive findings regarding 3D bio-printing and its real-life applications to an international audience at this STEAM-related event in Macao.

JINAN UNIVERSITY LABORATORY VISIT

Our students visited the Guangdong-HongKong-Macau Institute of CNS Regeneration in Jinan University to further their understanding of scientific inquiry related to the central nervous system.

TRY ENGINEERING ON CAMPUS

One S.5 student had the unique opportunity to explore the latest developments in GenAI through visits to reputable establishments and a series of hands-on activities with other elite students.
